Foreword

School days are priceless days. They will become more priceless and invaluable as the years roll by, and we can only dream of them as days-gone-by, days that we met our friends, teachers, and loved ones, days that we worked and played together and the day that Dogan High girded up her loins and plunged into the space age.

Stored away in the volume of this treasured chest, are the memories of the days that you will later embrace and fiercely guard as the remnants of the golden days spent at "Dogan," and as you reminisce through these pages, we of the Wildcat staff, sincerely hope that you vividly recollect the friends that you knew and loved so dearly, the teachers that you cared for and those that you couldn't stand. You will stop and take a deep breath as you relive through those tense and suspending basketball games. Oh how unconsciously boisterous you were in cheering the boys on to victory, and how dejected and silent you were when they were losing.

One of our specific goals around Dogan High is that of Cultural-Social Improvement. We feel that this goal can best be attained through Cultural Appreciation-Music, art, literature; Personal Behavior-courtesy, neatness, social conduct; Social Graces-manners, social skills; and Moral and Spiritual Values- a belief in God, in our fellowmen, and in ourselves.

It is our hope that these reminders will always help each of us to grasp firmly the best ideals and use them in entering the doors to a richer and more gratifying life of services.

In conclusion, we hope that your school year was a wonderful adventure and some-day when the reality of it is all over the annual staff invites you to dream pleasant dreams of your golden school days at Dogan.

Dedication

Mr. Randolph Titus
Principal

In the way of appreciation for his years of inestimable service to Dogan High School, the Senior Class of 1962 dedicates this annual to Mr. Randolph Titus.

Mr. Titus is something like a tradition at Dogan. Serving as principal since 1936, he has brought great prestige to our school. He is a man of many talents and responsibilities, each of which he fulfills in the most admirable manner. He is a gentleman, a family man, a scholar, and a friend.

As an attestation of our gratitude for his continuing devotion to the school, for his warm personality, for his great love for each of us, and his sincere interest in our welfare, we, the Senior Class, wish to express our thanks by dedicating this, the 1962 "Wildcat" to our beloved principal, Mr. Randolph Titus.

A Tribute to Mrs. Mary O. Allen

Mrs. Mary O. Allen, a former teacher of Freestone County, and a pioneer in the field of education attended both Bishop and Texas Colleges.

Having given thirty-seven years of devoted service in the teaching profession, she retired in 1943, and still remains active and in good health.

She rejoices in knowing that she has touched the lives of so many persons who are now engaged in a variety of worthwhile occupations, and her warm smile greets all whom she meets.

Since she is the oldest, living, colored teacher in Freestone County, we feel that surely she deserves a tribute of praise for the valuable services which she has so graciously rendered.
